

Please note regarding the Mercer Island office: Although the address is on Island Crest Way, you cannot access the parking lot from Island Crest Way. All you need to do is park below the building on the hill - the parking lot is adjacent to the building on the west side. Then walk up the steps to the entrance. A GPS map may not be able to get you to the unnamed ally where the parking lot is located. It is 1/2 a block west of Island Crest Way. There is always plenty of free parking. Please print out this page and bring it with you your first time to my office.

Driving Directions to the Mercer Island Office:

Coming from the West

1. From I-90 East, take the "Island Crest Way" exit (#7B)
2. Go through a tunnel and immediately get into the right lane (marked with a "right turn only" sign)
3. Turn RIGHT onto SE 30th St (first right after the tunnel)
4. Immediately get into the left turn lane and take your immediate LEFT (120 ft) into an alley (Note: if you come to a 4-way stop on SE 30th St & 80th Ave SE, you have gone too far) On the corner where you will turn into the alley you will see a two-story tan medical building called Mercer Park Professional Building.
5. Proceed down the alley (300ft) and park below/adjacent to the light grey building with white framed windows and go up the stairs (please call for information regarding disability access if the stairs will be difficult for you).
6. My office is on the ground floor, suite #102. After entering the building turn right and proceed down the hallway. The waiting area is the first door to the left and a sign is above the door.

Coming from the East

1. From I-90 West, take the "Island Crest Way" exit (#7)
2. Take a LEFT at the light (Island Crest Way).
3. Go straight through the first light (SE 27th St) and then take a RIGHT onto SE 28th St
4. Turn LEFT at the next intersection onto 80th Ave SE
5. Turn LEFT at a four way stop onto SE 30th St
6. Take a quick RIGHT into the alley immediately past the "right turn only" sign (Note: If you go to Island Crest Way, you have gone too far). On the corner where you turn you will see a two-story tan medical building called Mercer Park Professional Building. Keep heading south toward the second large building.
7. Proceed down the alley (300ft) and park below/adjacent to the grey building with white framed windows and go up the stairs (please call for information regarding disability access if the stairs will be difficult for you).
8. My office is on the ground floor, suite #102. After entering the building turn right and proceed down the hallway. The waiting area is the first door to the left with a sign over the door.

General Note: Do not rely on MapQuest or Google Maps for directions to the parking lot-please see the note above.
